1. Introduction to Freight Company Delivery

Prestashop Freight Company Delivery module adds one more method of delivery to your store – to deliver products to customers via a freight company.

Unlike in the default carrier delivery, the module adds an additional field to the checkout page where customers are able to provide some extra information, if demanded by the freight company or the seller.

Key features:

- A new delivery method added to the checkout page;
- An additional field is added to let customers provide some extra information.

2. How to Install and Deactivate

How to Install

1. Set 777 or 0777 on the folders: '/modules/'

Important! Change all permissions back after installation.

2. Go to **Modules** -> **Add a module from my computer** -> choose the file (.zip) -> upload this module. Choose module in section **Front Office Features** and install it.

3. Go to **Advanced Parameters** -> **Performance** -> click the **Clear Smarty Cache** button

How to Deactivate

Click the button **Disable** in **Modules** -> **Front Office Features**.

To remove the extension form the server, press **Delete** in **Modules** -> **Front Office Features**.

3. How to use

The module does not require any additional settings or configurations, once installed it immediately adds a new shipping method to the checkout page.

When the method is selected, an additional field appears at the bottom of the list, where customers can enter some additional information.

Delivery information is also displayed on the Order page.

Delivery information on the Order page

The screenshot displays the BELVG Order Management System interface. At the top, the BELVG logo is visible. The main header area shows 'ORDERS' and 'Order MDPGVYFWW from Alexander Simonchik'. A sidebar on the left contains various navigation icons. The main content area features a 'FREIGHT DELIVERY INFO' section, which is circled in red and contains the text 'Important info'. Below this, the order details are shown: 'ORDER MDPGVYFWW #7'. There are buttons for 'Print order', 'No invoice', and 'No delivery slip'. The status section shows 'STATUS 1' and 'DOCUMENTS 0'. A blue bar indicates the current status: 'Awaiting cheque payment' with a timestamp of '07/02/2014 09:09:06'. Below this, there is a dropdown menu set to 'Awaiting cheque payment' and an 'UPDATE STATUS' button.

Do you have questions about extension configurations?

[Contact us](#) and we will help you in a moment.
