1. Introduction to Product List Gallery

Give your catalog pages a brand new look with Prestashop Product List Gallery. You can now display all product images and product info right in the list. Images are displayed in a visually appealing animated manner in a row next to the main picture. The main picture changes to the one on which the cursor rests. Moreover, you can embed the YouTube video about the product . Simply enter the link and the YouTube logo will appear on the image.

Key features:

- All product images on the catalog page
- YouTube videos embedded
- One-Click configuration
- Visually appealing images presentation

2. How to Install and Deactivate

How to Install

1. Set 777 or 0777 on the folders: '/modules/'

Important! Change all permissions back after installation.

2. Modules -> Add a module from my computer -> Choose the file (belvg_product_gallery.zip) -> Upload this module. Choose module in section "Front Office Features" and install module

3. Preferences -> Performance -> Smarty-> Force compile -> Yes

Preferences -> Performance -> Smarty-> Cache: No

How to Deactivate

Click the button **Disable** in Modules -> Front Office Features.

To remove the extension from the server, press **Delete** in Modules -> Front Office Features.

3. How to Configure

In order to assign the YouTube link to the product, go to

Catalog -> Products. Edit the product you want to add the video to. Click the **Product List Gallery** tab.
